A circa 1880 etching of our original two-story hall.

In 1977 the C.S.P.S. Hall was declared a National and State Historic Site, Building #77000763. Czech and Slovak Sokol Minnesota is a 125 year-old volunteer organization founded to provide community and fitness for individuals and families through physical, educational, cultural and social programs. We welcome all irregardless of nationality and cultural background.

Our hall is a commercial and community center. We fully subsidized office and event space for the Honorary Consul General of the Czech Republic and the Czech and Slovak Culture Center; partially discount space for community-based organizations; and rent our facilities and hall for complimentary events.

Hall rental is part of a larger program of financial support for our organization. Our celebrations throughout the year raise funds to support programming and support facilities: annual Czech and Slovak Festival, Festival of Nations, ethnic-themed dinners, fall Harvest and spring Šibřinky/Mardi Gras dances.
